### **Recipe for Food Fixins**

- Choose a recipe you can prepare.
- Photograph each step as you cook, showing your hands, not your face.
- Type the recipe on the computer.
- Send the recipe and digital pictures together.
- We'll contact you if we post your recipe.

### **Money Stories for It's My Money**

How do you earn money? Share your stories with DevoKids. We may feature your story on **Pay Day**. We're looking for stories that illustrate investing, saving, tithing, or philanthropic efforts. (That means helping others with money.)

Do you have a business? We want to know and we'd love a video.

### **Music for Dudes and Divas**

Got an idea for our music? We'd love to hear—just give us a jingle . . . over the internet.

### **Cool Kids**

We're looking for videos to share. Your parents will have to help the next part.

- **Video Guidelines:** Digital Video Submissions through Tangle. Create a Tangle account. Then upload a very short clip and send us the embedding. (All clips will be previewed first before being used on DevoKids.)
